PROGRAM INTEGRITY and FRAUD PREVENTION

Maintaining and improving program integrity is one of the most important aspects of the Veteran Directed Program. Program integrity including fraud prevention is critical to sustaining this program model. Participants, authorized representatives, and providers are vital to preventing fraud and maintaining program integrity.

Fraud and abuse with funds from the Veteran's Administration can cost billions of dollars each year, diverting funds that could otherwise be used for additional services or to assist more people that need care. As a participant, authorized representative, care provider or recipient of funds, you must comply with all State and Federal laws and prevent misuse or fraud of any funds within this programs. Honesty and integrity are expected of all who participate in the Veteran Directed Program. (Please refer to the New "Employer/Participant" Handbook for more detail on fraud within the Veteran Directed Program)

Definition

Fraud is to intentionally misrepresent, cheat or deceive in order to benefit or gain something of value. Medicaid fraud is knowingly falsifying or misrepresenting the truth to obtain unauthorized benefits. Abuse includes any practice inconsistent with acceptable practices that will unnecessarily increase costs.

Examples of Fraud and Abuse Include

- Submitting timesheets for services not actually provided
- Approving/authorizing hours that employees didn't actually work
- Recording more time or stating different times than you actually work
- Changing hours on a timesheet after it has been approved
- Not providing the services the participant needs
- Falsifying a worker's compensation claim
- Falsifying or misrepresentation on applications or documentation
- Billing for services while in the hospital or other care facility
- Submitting twice for the same service
- Requiring an employee to "share" their paycheck with the employer

Results

Fraud is a felony conviction that can lead to substantial penalties, including imprisonment up to then years, or a fine of up to \$1,000 or an amount equal to twice the amount of assistance or benefits wrongfully obtained, or both. If convicted of fraud you may be excluded for a minimum of five year from any employment with a program or facility that receives Medicaid funding.

REPORTING

If you suspect or know of fraud or abuse occurring, it is your duty and responsibility to report this immediately to the Association of Area Agency and the Veteran's Administration. Or call ARIS Solutions at 802.280.1911 and the proper people will be contacted.

HIPAA EMPLOYEE CONFIDENTIALITY PRIVACY INFORMATION AND AGREEMENT

SUMMARY OF HIPAA PRIVACY RULES FOR EMPLOYEES

The Department of Health and Human Services has adopted privacy regulations under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). These "Privacy Rules" require most doctors, hospitals and health insurers ("Covered Entities") to develop procedures to limit the use and disclosure of patients' protected health information ("PHI") as well as notify patients of their rights with respect to such information.

In order to comply with the Privacy Rules, each Covered Entity must develop and implement its own privacy policy and procedures for the protection of PHI by April 14, 2003. However, in many ways, these policies will simply reflect the "best practices" for patient privacy and confidentiality with which all health care workers should already be familiar.

Privacy of Patient Information

Although temporary personnel are likely to encounter some variations among privacy policies at different Covered Entities, all the policies should permit them (with a few exceptions) to:

- Disclose PHI to the patient himself (or to a child's parent or guardian).
- PHI may also be disclosed to a person involved in the patient's care, such as an elderly patient's adult child or friend who is acting as interpreter, as long as the patient doesn't object.
- There are few exceptions, such as psychotherapy notes in some states.
- Disclose PHI in accordance with a written patient authorization.
- Use or disclose PHI for purposes of treatment, payment or health care operations.
- Treatment purposes: **There are no restrictions on disclosures of PHI for purposes of treating a patient.** Medical staff may freely discuss a patient's treatment among themselves.
- Other Purposes: However, disclosures of PHI for purposes of obtaining payment or for administering health care operations should be limited to the "minimum necessary" to accomplish the purpose. For example, although a hospital's billing office may inform a collection agency that "Patient X owes \$Y to Doctor Z", it may not disclose the nature of treatment Patient X received.
- Disclose "general directory information" about the patient.
 - A hospital may provide general information about a patient's status (excluding specific medical information) to telephone callers.
- Disclose PHI as required by law, or regarding potential victims of abuse, neglect or domestic violence, or to avoid a serious threat to health or safety.
 - For example, a hospital may respond to a police inquiry by disclosing that is treated a patient for a gunshot wound, and a doctor or nurse may report an abused child to the proper authorities.

If you are asked to make any disclosures which violate these guidelines, or which do not seem to you like professional "best practices", you should contact ARIS Solutions/VDHCBS Program.

(However, you should be aware that reasonably unavoidable disclosures which are "incidental" to permitted uses of PHI do not violate the Privacy Rules. For example, a hospital does not violate the Privacy Rules if a visitor improperly removes a covered or inward-facing patient chart from its holder and reads it, and a pharmacist may discreetly discuss a prescription with a customer at the pharmacy counter, even though other customers might overhear).

Form W-4 (2018)

Future developments. For the latest information about any future developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. You may claim exemption from withholding for 2018 if **both** of the following apply.

- For 2017 you had a right to a refund of **all** federal income tax withheld because you had **no** tax liability, **and**
- For 2018 you expect a refund of **all** federal income tax withheld because you expect to have **no** tax liability.

If you're exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2018 expires February 15, 2019. See Pub. 505, Tax Withholding and Estimated Tax, to learn more about whether you qualify for exemption from withholding.

General Instructions

If you aren't exempt, follow the rest of these instructions to determine the number of withholding allowances you should claim for withholding for 2018 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at www.irs.gov/W4App to determine your tax withholding more accurately. Consider

using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job, or a large amount of nonwage income outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you're having withheld compares to your projected total tax for 2018. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Filers with multiple jobs or working spouses. If you have more than one job at a time, or if you're married and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Other Income Worksheet on page 3 or the calculator at www.irs.gov/W4App to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at www.irs.gov/W4App to find out if you should adjust your withholding on Form W-4 or W-4P.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Line C. Head of household please note:

Generally, you can claim head of household filing status on your tax return only if you're unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. See Pub. 501 for more information about filing status.

Line E. Child tax credit. When you file your tax return, you might be eligible to claim a credit for each of your qualifying children. To qualify, the child must be under age 17 as of December 31 and must be your dependent who lives with you for more than half the year. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse, during the year.

Line F. Credit for other dependents.

When you file your tax return, you might be eligible to claim a credit for each of your dependents that don't qualify for the child tax credit, such as any dependent children age 17 and older. To learn more about this credit, see Pub. 505. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total income includes all of

Electronic Timesheets Agreement

I. About The Electronic Timesheets Module

- a. The Electronic Timesheets Module is a web-based interface through which Consumers, Employers, Employees, and Fiscal Intermediary staff can respectively view relevant timesheet information.
- b. Consumers, Employers and Employees will be able to use the system to both submit and approve timesheets electronically for payment by the Fiscal Intermediary.
- c. A Consumer is not required to have an Employer in order to use the system. But in cases where a Consumer does have an Employer and the Consumer approves the Employer to have access to the Electronic Timesheets Submission Interface, both the Consumer and his/her Employer will have identical abilities to enter and approve timesheets for payment. If the Consumer does not feel comfortable with the electronic interface, the Employer has the ability to handle all of the Consumer's timesheet submission and approval responsibilities.

II. Terms and Conditions

By signing below, you are agreeing to the following Terms and Conditions:

- a. The Consumer and/or his/her Employer and the Employee must have valid e-mail addresses that they access frequently.
- b. The Consumer, his/her Employer (if applicable) and the Employee agree to use the Electronic Timesheets Submission Interface as a method of submitting timesheets.
 - i. Signing this Agreement does not require you to only use the Electronic Timesheets Submission Interface. Other methods of submitting time, such as faxing or mailing, are still acceptable.
- c. A timesheet may not be submitted electronically if the Consumer and the Employee have not both signed and agreed to use the Electronic Timesheets Submission Interface via this Agreement.
 - i. If the Consumer approves their Employer to use the system, then the Employer must also sign this Agreement.
- d. An individual Electronic Timesheets Agreement is required for each Consumer/Employee relationship that chooses to use the Electronic Timesheets Submission Interface.
 - i. This is true even if the Consumer or Employee is already using the Electronic Timesheets Submission Interface in another Consumer/Employee relationship.
